

Visioning Health II

in partnership with **Red Road HIV/AIDS Network**, is recruiting participants for a **culturally-grounded, arts-informed, research retreat** in BC!

Who Can Participate?

You are eligible to apply if you are:

- ❖ First Nations, Inuit, or Métis
- ❖ A woman (straight, trans, two-spirit or gender-diverse)
- ❖ Living with HIV or AIDS
- ❖ 18 years or older
- ❖ Living in British Columbia

What Will You Do?

In this research project, you and other HIV-positive Indigenous women will learn to use traditional and contemporary Indigenous arts to:

- ☆ **Tell your story of health and wellness**
- ☆ **Celebrate your culture and your gender**
- ☆ **Help us design a culturally-relevant, gender-specific health intervention for HIV-positive Indigenous women!**

Come JOIN US for a 5-day research retreat

May 3 to 8, 2017 at Quaaout Lodge, Chase, BC

Transportation, food, and childcare will be provided

We would like to thank all women who take the time to inquire and screen for this study. We are grateful for your interest. The Visioning Health II research team is committed to ensuring that diverse voices and experiences of women with HIV in BC are reflected in this research. All potential participants who complete the screening will be notified regarding whether or not they have been selected for the study
